

# A New Era of **Limitless** **Possibilities!**

For a limited time, trade in  
your legacy printer for a  
**J35™ Pro and enjoy  
20% off!**

## Top 5 Reasons to Upgrade

- **Serve more apps + customers:** Up to 10 base materials, 100's of digital materials, hi-res advanced materials and multiple print modes.
- **Deliver more parts in less time:** 20-70% faster average throughput, boost ROI, and serve your team/customers better.
- **Print more parts/build:** 1.5-2.0 x larger tray area, print larger parts & more parts/tray, focus on next designs.
- **Office-friendly:** Quietest PolyJet printer yet, advanced air-filtration. Install at desk easily for designers, engineers, students.
- **Advanced controls + capabilities:** Unlock GrabCAD Print + Voxel Print, and the ability to jet 3 unique materials simultaneously.
