

It's Time to Make the Switch to Full-Color. Trade-In and Save 20% on J55™ Prime!

Trade in your legacy
printer and receive
**20% off a new
J55 Prime!**

Top 5 Reasons to Upgrade

- **Serve more apps + customers:** 10 base materials, 600k colors and digital materials. VeroUltra Clear for translucent models.
- **Build larger + more parts/build:** Up to 3.8 x larger build volume, one-piece convenience, more parts / build tray.
- **Versatile: 1 – 3DP from Art to Part:** One technology for your end to end solution. Fast Draft Grey alpha designs to flexible/tinted full-color visually brilliant functional prototypes.
- **Lower cost per part:** Up to 50% lower-cost/part with Draft Grey in HQS mode, more materials loaded = less material swaps further lowering TCO.
- **Most Office-Friendly PolyJet 3D printer:** Quietest printer yet, advanced air-filtration. Install at desk easily for designers, engineers, students.

Valid for customers with installs of mojo, uPrint, Dimension, Fortus 250mc, O24/O30 on or before 01-July-2023. Not to be combined with any other offer. No substitutions. No additional discounts allowed on this promotion. PO must be received and orders shipped on or before September 30, 2023.
